

Norman Bird Sanctuary

Matching Gifts

How it works

Here are the steps you can take to double your impact:

- Donate to the Norman Bird Sanctuary (thank you!).
- Connect with your employer to see if your company has a matching gifts program. If your company participates, please follow their guidelines to request a match. Your company may require you to fill out an online form or provide you with a paper form.
- After we confirm your gift, your company sends the matched amount directly to the sanctuary.
 - If your company uses paper forms, mail your completed form to:

Norman Bird Sanctuary
