

WAYS TO BE GREEN

HARVEST FAIR 2024

BRING A REUSABLE WATER BOTTLE!

Take advantage of the many water refill stations around the fairgrounds to reduce single-use plastic waste!

BIKE OR CARPOOL TO THE FAIR!

Enjoy a scenic bike ride to the Sanctuary and park your bike at our new bike rack, or gather family and friends and carpool to the Fair.

UTILIZE THE ZERO WASTE STATIONS!

Help divert waste from the landfill at the Fair's Zero Waste Stations. By properly sorting your food waste, trash, and recyclable materials, you can contribute to the fight against climate change!
